

MAHE

Le Jardin des Palmes – Small Hotel

Location

Le Jardin des Palmes is situated on the southern coast of Mahé, overlooking the "Anse la Mouche" bay.

General Presentation

The 10 suites of this peaceful and charming hotel are set in a tropical garden. Few minutes' walk will take you to the closest beach and is an ideal starting point for the exploration of the 65 well-preserved beaches and lush mountains of the island.

Room Types

Le Jardin de Palmes suites are each interconnected via the balcony. The rooms are named after our different inner and outer islands. All the suites are at a ground level and all have a magnificent sea view. The suites are each 68 square meters, including the room with a double bed, the sitting room, with two supplementary beds.
